Wireless Presentation & Collaboration Solution

What is the new feature?

- **New Home Screen**

- **LauncherPlus Pairing**

Purpose – Pre-configure all the required network connection information to be compatible with paired NovoPro device. Truly Plug-n-Play for wireless presentation

Wireless Presentation & Collaboration Solution

Methods

- **Direct pairing with NovoPro** (NovoPro Device Firmware must be 2.3.1.225 and above)
It will only take few seconds to complete the pairing.
Make sure NovoPro is powered on, plug in LauncherPlus to the USB port in NovoPro device, it will start pairing automatically, the LED light and NovoPro screen will be showing the pairing progress.
Once the configuration is done, follow the instruction to remove the paired LauncherPlus. It is plug-n-play for wireless presentation.
- **Remote pairing via remote manager** (refer the LauncherPlus user manual for the detail)

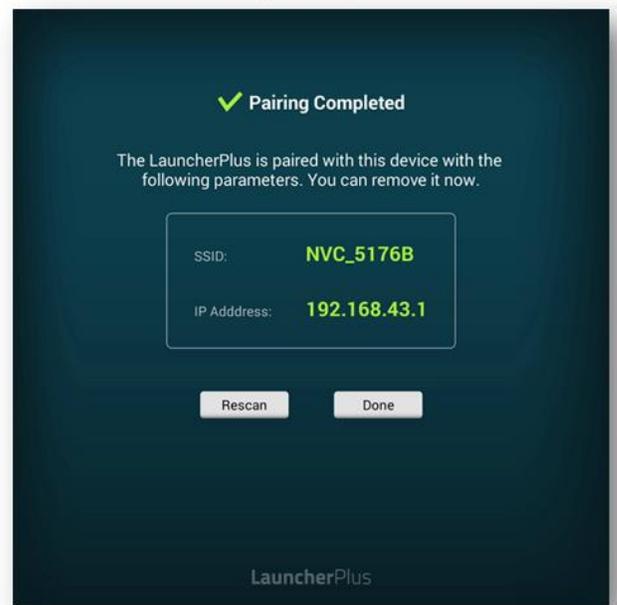

○ **LauncherPlus Pairing GUI**

Start Pairing

Pairing Completed

Wireless Presentation & Collaboration Solution

How to upgrade

- Device Firmware upgrade
 - Go to Device “Settings → Firmware Upgrade” , follow the on-screen instruction to get the latest version updated online.
- Software upgrade – visit www.vivitekusa.com, Chrome Web Store, App or Google Play store. Follow the instruction to get the latest version updated
